

### REMARKS

In the February 8, 2005 Notice of Drawing Inconsistency With Specification, the Examiner identified an inconsistency between the drawings filed December 30, 2003 and the Brief Description of the Drawings in the specification. Specifically, Figure 8 was listed in the Brief Description of the Drawings in the specification, but Figure 8 was not contained in the drawings.

The specification has been amended at paragraph 0027 by deleting the description of Figure 8. Paragraph 0025 was amended to include the word "and," and paragraph 0026 was amended to correct the punctuation therein. Thus, Applicant respectfully submits that the drawings and the Brief Description of the Drawings in the specification, as amended, are consistent with each other.

Respectfully submitted,
